

CORONAVIRUS is Coming to Columbus

It's a matter of "when", not "if".

Legion family,

With the enactment of a National Emergency, the Post has been closed and all events canceled until April 3rd. We will reassess the situation at that time and follow the advice of the Centers for Disease Control, the Ohio Department of Health, and Governor DeWine. The health and welfare of our membership and guests is our number one priority. We feel this is in the best interest of our community at this time.

Please follow the advice and obtain additional information at the following sites:

[Ohio Department of Health \(ODH\)](#)
[Centers for Disease Control \(CDC\)](#)
[Worthington Schools Alerts](#)
[Worthington Libraries Alerts](#)
[McConnell Arts Center information](#)

Remember to do your part to help prevent the spread of illness and the flu, including:

- Washing your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol.
- Covering coughs and sneezes with your arm or your inner elbow.
- Avoiding close contact with people who are sick.
- Staying home when you are sick.
- Call ahead before going to your doctor.

[More prevention tips from the CDC](#)

Lastly, given the age of our membership, this Emergency action may cause problems for you. If you need help – shopping, appointments, medications, or the like; we can help. Call the Commander and we will get you the help you need.

We won two World Wars, we will get through this too. We're Americans. Be strong, be safe.

For God and Country,

Glenn Luksik 614 563 8927

Commander, Leasure-Blackston Post 239
