MEMBERSHIP

1st. Vice, Tom Helmick reported that we now have 332 paid members for the 2007 membership year. We are nearly 31 members short of our quota. If you haven't paid your dues yet please take a moment and write that check now. Membership is the lifeblood of any organization. When it comes to the American Legion, it's the size of its membership that gives it such a strong voice in Washington and makes officials listen when they speak about veterans affairs.
