From the Commander:

It is Spring. Flowers are blooming, the days are getting longer, the trees are starting to green, and vaccines are everywhere! Shots will be available to everyone over 16 very soon. Things should start getting back to (semi) normal. The President says fireworks for the Fourth of July!!

Post News:

Monthly meetings

Since most of the membership should have received their Covid vaccination, we can start having monthly meetings again. If you did not get vaccinated, do not show up. We will meet inside with windows open or outside weather permitting. Masks will still be required, but distancing will be lower. The next meeting will be April 15 at 730pm.

Maintenance and remodeling

We have a list of projects that we are undertaking to improve the Post.

Patio roof – to extend the use of the patio in inclement weather.

Furnace in the canteen – we installed a blower motor this year, but it is limping along now.

Kitchen equipment – ice machine, beer cooler, undercounter cooler.

Exterior doors – February ice and snow wreaked havoc on the doors that are 20 years old.

Liquor licenses for sale to the public – to rent the classroom for parties, receptions, weddings.

It is your Post. We are trying to make it self-sustaining with the room rental. Your tax-deductible donation would be appreciated. Thank you.
