### From the Commander:

Summer is here! Stop by for a cold one on your way home from work. Always good to see you.

The Memorial Day parade was a complete success this year. Almost 100 groups entered and marched. We heard back from participants and observers that all had a great time. If you did not attend the picnic, you missed good food, good friends, and a good time.

If you have a Kroger Plus Card, please sign up to donate to the Post with every purchase you make. If you have already done so, Thank You!

### Post News:

Liquor License

We continue to negotiate with the City Council on our using our D5 liquor license. They do not like our having it. They also are not sure why, but they do. More on this later.

Leasure-Blackston Website

We are working on updating our website to a very modern one, using a local IT supplier. Along with the website, will come a new email service and address. Watch your email for the update on these changes.

Friday Night Dinners

We continue to have dinner each Friday night. Please watch your email for the menu and join us.

### Covid Response:

My wife is a nurse. There are still those getting Covid, and some are still dying. Please be sure to keep your vaccinations and boosters up to date. She works in a hospital and cares for these poor souls daily.
