

## Friday Dinner at the Post June 12

Friends,

I was telling someone about the sandwiches in Pittsburgh at Primanti Brothers. They come with fries and coleslaw on the sandwiches. That reminded me of the fryros. See menu below. Dinner served 5 to 7 pm, \$15 with take-out available.

Fryros (a gyro over fries served like a big salad)  
Watermelon slices  
Pita bread  
Lemon bars

For God and Country
